## BISHOP'S CHRISTMAS MESSAGE

*The Bishop of Namirembe Diocese.*

"Where is he who has been born King of the Jews? For we saw this star when it arose and we have come to worship Him".

**Matthew 2:2**

Based on the Old Testament prophecies, Christ was to be born in Bethlehem in the land of Judah. Micah 5:2 "But you, O Bethlehem Ephrathah, who are too little to be among the Clans of Judah, from you shall come forth for me one who is to be ruler in Israel, whose coming forth is from of old, from ancient days."

Led by the star these wise men came from the East and they diligently searched for the new born King. When they finally saw the new born King, they rejoiced, worshiped Him and opened their treasures and gave him gifts Gold, Frankincense and Myrrh. Gentiles, worshiping the King of the Jews who had come that, all may have life. Because of the festivities that surround the commemoration of the birth of Jesus many people lay emphasis on celebrations, eating, drinking, partying etc and end up losing the point of searching diligently the purpose for which Jesus Christ came!!

Instead of worshipping this Jesus and being wise men all the time, many believers are searching for men & women of God, big churches, miracles instead of Jesus the miracle worker, healing instead of the healer and deliverer.

We have challenges of believers moving from church to church, from Pastor to Pastor, Bishop to Bishop claiming that some leaders are more powerful than the others. To the extent that some church leaders are worshiped. We are talking about Jesus Christ who can answer prayers while another Jesus Christ cannot answer prayers depending on which church you go to.

We are talking about Jesus Christ who gives things live Visas, Big cars, and Houses and personalized number plates for our cars.

All the above are good things and the Jesus Christ I am talking about is more than able to provide for all our needs. But the wise men searched diligently for the new born King for the purpose of worshipping him never to worship King Herod or any other creature. The one they worshiped was to make a fundamental change in the lives of fallen humanity, both Jews and Gentiles.

Isaiah had prophesied thus, "For to us a child is born, to us a son is given; and the government shall be upon his shoulders and His name shall be called; Wonderful Counselor, Mighty God, Everlasting Father, Prince of peace." Isaiah 9:6

And He himself affirmed His mission in Luke 4:16 - 18. "And he came to Nazareth, where he had been brought up and "as was his custom." He went to the synagogue on the Sabbath day

and he stood up "up read. "And the scroll of the prophet Isaiah was given to him. He unrolled the scroll and found the place where it was written, "The Spirit of the Lord is upon me, because he has anointed me to "proclaim good news to the poor." He has sent me to proclaim liberty to the captives and recovering of sight to the blind, to set at liberty those who are oppressed..."

He came to restore order in lawless lives, families, communities and Nations. As we commemorate the birth of Jesus Christ we are still grappling with issues of; Domestic violence, Human trafficking, Oppression, Corruption, Injustice, Land grabbing, Orchestrated murders and thefts.

Let us pray to God to reveal to us in very clear terms what has gone amiss in our lives, families, church, communities and the Nation. So that we allow Him take over our lives as King of Kings and Lord of Lords. When He takes over our lives will never remain the same. Then we can worship Him in splendor of Holiness. And pay close attention to what the next step of action is required of us. "And being warned in a dream not to return to Herod, they departed to their own country by another way." Matthew 2:12

It is my prayer that as we celebrate Christmas 2018 let us revisit the purpose of which Jesus Christ came and dwelt among us as (Immanuel - God with us) so that we can have meaningful celebrations, as our lives are touched, challenged and changed.

I wish you a Merry Christmas.

Rt. Rev. Wilberforce Kityo **Luwalira**

**THE BISHOP OF NAMIREMBE DIOCESE**

## Clergy Urged to be Faithful Servants

Bishop Luwalira has urged the Clergy to be faithful servants of God and cautioned them on ungodly acts that have infiltrated some places of worship and Christians. He reminded them that their calling is the best on earth since they serve a living God who owns everything on earth and heaven thus requested them to serve

with all their love. The Bishop made the remarks during the ordination service of 4 Deacons, 2 Priests and commissioning of 25 Lay Readers at St. Paul's Cathedral Namirembe on 9<sup>th</sup> December 2019. The highly attended service was filled with the relatives, friends, Christians, Church leaders and well wishers. [See story on Page 12](#)

# Mission House Construction Starts in High Gear

The Diocese has welcomed yet another milestone as Bishop Luwalira presided over the official ground breaking of the Mission house

that is set to be completed within a period of 3 years.

Christians gathered in large numbers and

pledged their support through financial and material contributions towards the realization of the project. The Mission house which is estimated to cost a round

10 billion will provide financial support on the already significant progress made in furthering mission activities in all corners of the Diocese and beyond.

The multi-million project will also be an income generating project to the Diocese particularly the Mission Department and this will be through the rent fees of those who may wish to rent space on it. The major sources of finance for this project are the donations from the Christians, friends, well wishers and the Diocesan Treasury.

The construction is monitored by the Mission Board chaired by Mr. John Fredrick Kazibwe, the Head teacher Mengo Senior School. According to the Mission Secretary, Rev. Samuel Muwonge, the project will be a great achievement when completed and it will enable the department meet its financial obligation.

*A group photo of the Bible Society Delegates with the Bishop, Archdeacons at his residence*

Delegates of different Bible Societies in the World such as Ghana, Kenya, South Sudan, Nigeria, USA, Germany and England among others paid a special visit to the Bishop of Namirembe Diocese on 23rd November 2018 at his residence.

The visit was a true sign of the great relationship and friendship between the Bible Society of Uganda and Namirembe Diocese which has birthed many developments in the field of furthering God's great commission. The delegates were led by the Secretary General of the Bible Society in Uganda Mr. Simon Peter Mukhama and part of his Ugandan team who on arrival were warmly welcomed by

the Bishop.

It was a great evening of reflecting on the journey of Bible Society and in particular with Namirembe Diocese. Bishop Luwalira who is a life member of Bible Society of Uganda was full of praise for the Bible Society for the remarkable work they have done in Namirembe Diocese every time they have reached out to them. He pledged total commitment on behalf of the Diocese to continue working with the Bible Society.

Mr. Simon Peter Mukhama appreciated Namirembe Diocese for the clear commitment and strong passion towards the realisation of Bible Society objectives.

He said Namirembe Diocese is the highest funder of Bible Society activities among all the 37 Dioceses in the Province of the Church of Uganda. An award was

given to the Bishop in recognition of his support who dedicated it to all Clergy and Christians for the great work they do in supporting Bible Society.

# Prayer School Passes out Trained Christians

Prayer school members in a group photo with the Bishop and Maama Faith

The Diocese has made significant progress in furthering the word of God based on the true teachings of the Bible and this is visible in the many programs implemented in its various departments. Through the inspiration of Bishop Luwalira, the Prayer School was started in the Training Department and so far it has registered remarkable results in the field of mission.

When we are Baptized we are told to fight the world, flesh and Satan and that we should be faithful servants of the Lord all our life. The Bible say "My people perish for lack of knowledge" Hosea 4:6 and its upon that background that we have had three schools and the last graduated on 29<sup>th</sup> November 2018.

According to Rev. Abraham Lubega Kisakye, they teach Christians how to be faithful servants of the Lord built on a firm foundation. We also develop the Intercessory Ministry of the Church, and also lay strategies

of spiritual warfare i.e. putting on the whole armor of God. What do these weapons include? We call all Christian

The Bible say

perish for  
lack of  
knowledge"

to enroll in this faith developing school and discover God's will in this challenging generation.

Bishop Luwalira was impressed by the activities of the school hailed the Training department for such a great ministry. He appreciated the trainers

and all those enrolled in the school for not shunning away from serving God. God has given us an opportunity to fight the daily challenges of life. The New school will begin on the second Saturday of January 2019. The class is on every Saturday from 08:00am to 10:00am for nine months. God bless you as you prepare to enroll.

## OPINION AND LETTER

# Bishop Congratulates The Bible Society of Uganda

Bishop addressing the congregation at the Bible Society of Uganda celebrations

My most effusive congratulations Bible Society of Uganda for your 50 years of Bible ministry that proclaims the glory of Our Lord Jesus Christ. To reach 50 years is not easy, but God is faithful in accomplishing his work.

I pray that we see the glory of God in the continuation of this ministry "God is not unjust; he will not forget your work and the love you have shown Him as you have helped His people and continue to help them (Hebrews 6:10)."

To us in Namirembe Diocese, Bible Society of Uganda is a tremendous blessing. You have supported our Mission ministry every time we have reached out to you and we have learnt a lot of best practices from you upon which we have based on to revise our programs to be more result oriented. One of my favourite programs is the Bible week.

The fact that we have many false books branded to be Bibles,

you have helped our Christians to learn the correct Bible doctrine in this era full of new religious movements that have diverted many from the true word of God. You have made the Bibles easier to understand by translating them into local languages, easily accessible and affordable and even free in some cases. You have restored hope in many hopeless Ugandans.

On behalf of our Diocese, we shall continue to work with you and support your ministry. To the staff of Bible Society, partners in development, friends and well wishers who support Bible Society, we salute you and pray that God will continue to use you mightily. Once again, congratulations upon your outstanding service. God bless you!

# Christians Cautioned on **Risky** Lifestyle

*Bishop Luwalira and Mr. Akena flag off some of the Christians who participated in the HIV/AIDS awareness charity walk.*

Christians have been cautioned on the risky behaviours that do not only undermine God's purpose for each one of us, but also exposes us

to the risk of HIV infection thus affecting our families. Bishop Luwalira made the remarks on 1<sup>st</sup> December 2018 when he presided over the HIV/AIDS awareness

charity walk organised by Christian Men's Fellowship of Namirembe Diocese.

This is the sixth time when CMF joins the

rest of the world to commemorate World AIDS Day and this time it was based on the theme "Raising awareness about the importance of one's status to save lives". This event which was also attended by members of Christian Women's Fellowship and Mothers Union targeted men and especially the youth who intend to live reckless lives and fall victims of HIV.

The Chief Guest Hon. James Michael Akena together with his host, Bishop Luwalira flagged off the participants at around 6:30am. Akena who happens to be the President of one of Uganda's Political Parties (UPC) thanked the Diocese and Uganda AIDS Commission for organising this awareness event where

men are the main target. He informed the congregation that HIV is a reality and therefore should test to know their status. He promised to take the same idea to Lango Diocese.

## Nansana-Buddo Church Officially Opened

It was a joyous Sunday when Bishop Wilberforce Kityo Luwalira officially opened, consecrated and dedicated the new Church to the Lord so that His Will be done from it on 2<sup>nd</sup> December 2018.

The Bishop who was accompanied by Maama Faith Kityo Luwalira was supported by Kazo Archdeacon and Nansana Parish Priest, Lay Readers and other Church leaders in leading a colourful service that attracted a large gathering of Christians.

The service was characterized by strong praise and worship songs, thanking God for his great provision that has enabled the Christians to complete the Church though some challenges have been faced during the construction process.

Bishop's sermon was from Psalms 24:7 Lift up your heads, O ye gates; and be ye lift up, ye everlasting doors; and the King of glory shall come in. Who is this King of glory? The Lord strong and mighty, the Lord mighty in battle. Lift up your heads, O ye gates; even lift them up, ye everlasting doors; and the King of glory shall come in. Who is this King of glory? The Lord of hosts, he is the King of glory. In his remarks the Bishop paid tribute to the Church leadership and the good relationship of clergy with the Christians which birthed such a magnificent house of the Lord.

## Deacons and Ordinands tipped on Youth Ministry

**T**he Diocesan Youth Secretary Mr. Lule Tefeero has advised Ordinands and Deacons in preparations for ordination and Priesthood to embrace the youth ministry so as to promote the essence of Christ's Mission of Salvation.

He said in some Churches we have received reports of Church leaders frustrating the work of the youth due to their personal interests which has reversed their development and progress. He made the remarks while addressing them on the Challenges that

hinder the progress of youth ministry in church to be given the first position at Uganda Martyrs Seminary Namugongo on 6<sup>th</sup> December 2018.

He said it is extremely important for Church leaders to be good ex-

amples to the youth in actions and faith, develop the youth, involve them in decision making, give them platform to serve Christ, guide them on Church structure and policies etc.

Investing in youth through equipping them with life and technical skills is a sure way of growth and development in Church and Uganda at large. Thanks to the Boys' and Girls' Brigade of Namirembe Diocese which organised a highly skilled camp in rope work and gadgets, drill, Bible quiz, Boys brigade knowledge, hiking, powerful praise and worship, health and fitness, swimming skills, counseling and guidance, sports, team building, personal hygiene and sanitation etc.

All these activities were intended to improve the lives of young people morally, socially, spiritually, physically and economically and they showed a strong commitment towards achieving the objective of BB&GB of advancing religious ethics among boys' and girls' and promotion of habits of obedience, reverence, discipline, self respect, self control and a sense of responsibility to find a true enrichment of life.

This year's camp which started on 7<sup>th</sup> to 14<sup>th</sup> December 2018 attracted over 700 youths from 18 companies/battalions which included St. Mary Kevin, 8<sup>th</sup> Wakiso Company, Kiwunya, 8<sup>th</sup> Mengo Company, Sseese, Luzira, Kazo, 2<sup>nd</sup> Kasubi, Bugiri, 1<sup>st</sup> Mengo, etc.....

St. Mary's Kevin emerged as the overall winners after adding all the points from the different activities participated in and received a cow. Kiwunya Company were the 2<sup>nd</sup> runners up and received a goat for a wonderful contribution in the camp. The best individual performers in areas of discipline, Bible quiz competition, drill skills etc were given gifts to encourage them even become better servants of our Lord and be positive agents of change.

While presiding over the closing ceremony of the camp, Col. Okei Rukogota hailed Boys Brigade for its strong foundation based on religious values and discipline which has helped transform many into valuable and responsible citizens. Himself being a former member of BB&GB from .....company, he said Brigade nurtured him into a person he is today and he was honoured to be physically back into BB&GB fellowship.

The ceremony was attended by Rev. Emmanuel Ssewanyana who represented the Bishop Luwalira, Mr. Lule Tefeero the Youth Secretary, Rev. Moses Kakembo the Youth Coordinator in Gayaza Archdeaconry, Mr. Dantes Kashangire the Secretary General of BB&GB in Uganda, some members of the Diocesan Youth Executive and other invited guests.

## Diocesan Theme 2019 (Genesis.39:9)

*“Kale nnyinza ntya okuyingira mu kwonona okwenkanidde awo n'okusobya eri Katonda*

# Sunday School Children Skilled in Domestic Work

*Children at work*

**O**ver 100 Sunday school children were trained in domestic work and their lives improved morally and spiritually in a highly organised training camp by the Children's ministry. The camp which was held at St. Lawrence Crown City Campus started on 9th and ended on 13th December and targeted children between 7- 14 years. Each child paid Ug shs100,000/= which catered for their accommodation,

health care, feeding, transport to and from the school, facilitation to the trainers and buying training materials etc.

The fact that many parents and caretakers spend little time with their children due to work and other responsibilities, many of the children have grown up lacking basic values and ability to do particular household activities, this camp therefore was timely in restoring biblical values and equipping

children with skills in domestic work such as food preparation, personal hygiene and sanitation, mopping, sweeping, effects of drugs, ironing clothes, bed laying, dish washing, biblical values of reading the scriptures, respect, loving one another, faithfulness, peaceful co-existence with one another and protecting the environment etc.

Ven. Isaac Membe Kijjambu the Diocesan Treasurer

and Archdeacon of Luzira officially opened the camp on 10th December and he appealed to the children to be attentive and learn new skills for their own good. Mrs. Deborah Kaweesa, the Diocesan Children's Ministry Coordinator thanked the parents who sent their children to the camp and urged others next time not to miss since there's a lot to learn which prepares their children to be responsible and hardworking.

2019

## DECLARED TO BE CHILDREN'S YEAR

The Province of Church of Uganda declared 2019 to be the year for children. Our Diocese through the children's ministry will ensure that it reaches out to as many children as possible with programs that build them spiritually, morally, mentally, physically and a true sense of belonging.

Promotion of children rights and teaching the young ones their responsibilities will also be central to all our programs.

We look forward to a result oriented year for children.

The day was full of praising the Most High through Carols and Christmas songs, learning, dancing, plays, having fun, creating new friendships and promoting talents. We thank God for the Bishop's message that reminded the youth to take good care of their lives and avoid being involved in things which do not add any value to them such as alcoholism etc.
